GRASS FED FOODS ARE A BETTER CHOICE

86% of consumers look for at least one of the "better for" options when buying meat and poultry.

Better for:

64% Me/my family

35% The farmer/worker

35% The planet

32% The Animal

Among the 32% of people emphasizing better-for-the-planet, local, grass-fed and environmentally friendly packaging are the top meat strategies.*

***The Power of Meat© 2021/2022**

Help your business drive grass fed to consumers for a healthier choice for them, their family
